At the Council meeting on 9/3/13 Councilman Compretta asked JB why this was on the list. JB explained that it is in violation of the ordinance. After several questions and JB explaining that this property is in violation of Ordinance 539, Councilman Compretta informed JB that he wanted this property removed from the list. He then said that he wanted to postpone the public hearing so that he can speak to the owner. City Atty Rafferty said that he would notify the owners Atty of record, Mr. Edward Gibson. JB asked the Council is there were any others that they wanted to be removed from the list or not enforced. Councilman Compretta said this is the only one he wanted. Councilman Seal and Councilman Falgout said that they each have properties in their area and that JB is doing a good job enforcing the ordinance.

On 7/1/13 JB spoke to Ms. Martin who said that she received the NOTICE OF PUBLIC HEARING but was confused as to why she did. It was explained to her that she still had pilings and a slab on the property and the City Council has directed the property to be cleared. She was advised to appear before the Council on the date of the hearing and explain the situation to them. Hearing was held on 8/6/13 and it was explained that the owner had contacted us and knew of the hearing. It was moved by Councilman Falgout and seconded by Favre to have the City remove the pilings and clear the property. On 8/7/13 at 9:28 am JB received a call from Ms. Martin who said that she went to City Hall last night and no one was there. It was explained that the letter said the conference center at 598 Main St and that the meeting was held. She then said her son read the letter wrong. It was explained about the outcome and the City would be removing the pilings. She said the she will try to do it before we do in order to not have it go on her taxes.</p>
