

Federal Resources for Businesses

[Doing Business with NASA](#) - The site for Stennis Space Center Procurement.

[Federal Business Opportunities](#) - Search more than 32,000 active federal opportunities.

[SBIR/STTR Program Information](#) - The Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs provide an opportunity for small, high technology companies and research institutions (RI) to participate in government-sponsored research and development (R&D) efforts in key technology areas. If you are a small business with 500 or fewer employees, or a non-profit RI such as a university or a research laboratory with ties to an SBC, then NASA encourages you to learn more about these programs and significant sources of seed funding for the development of your innovations.
